

Página de inicio del panel de Joomla

The image displays three sequential screenshots of the Joomla! 'Users: Edit Group' configuration page. Each screenshot shows the 'User Group Details' section with the following fields:

- Group Title ***: A text input field containing the group name.
- Group Parent**: A dropdown menu set to 'Public'.

The three groups being created are:

- Grupo editores**
- Grupo usuarios registrados**
- Grupo administradores**

Each screenshot also features a top navigation bar with the Joomla! logo, 'Users: Edit Group' title, version '5.2.1', and a 'joomla' button. Below the title bar are buttons for 'Save', 'Save & Close', and 'Close', along with a 'Help' link.

Nos vamos al apartado de grupos para crear 3 en este caso y los creamos con los siguientes propósitos:

Administradores: Para gestionar el sitio completo, modificar las configuraciones, gestionar usuarios o también instalar extensiones.

Editores: Para tener permisos de edición en nuestro sitio en cosas como editar o crear publicaciones/páginas.

Usuarios registrados: Para acceder solo al contenido de los usuarios que se registran en nuestro sitio.

Pero tenemos que tener en cuenta de que tenemos que establecer los niveles de acceso a cada grupo para que sean funcionales.

The screenshot shows the Joomla! Administration interface in a Mozilla Firefox browser. The address bar displays the URL: `joomla.local/joomla/administrator/index.php?option=com_users&view=users`. The Joomla! logo is visible in the top left corner. The top navigation bar includes links for "Take a Tour", "Post Installation Messages" (with a notification badge showing 2), "joomla", and "User Menu".

The left sidebar contains the following menu items:

- Toggle Menu
- Home Dashboard
- Content
- Menus
- Components
- Users (selected)
- Manage (sub-menu open)
- Groups
- Access Levels
- Fields
- Field Groups
- User Notes
- User Note Categories
- Privacy
- User Actions Log
- Mass Mail Users
- Messaging
- System
- Help

The main content area displays the "Users" management view. It includes a "New" button, a search bar, and a "Filter Options" dropdown. Below these, there is a table of users with the following columns: Name, Username, Enabled, Activated, MFA, and User Groups.

<input type="checkbox"/>	Name ▲	Username ◆	Enabled ◆	Activated ◆	MFA	User Groups
<input type="checkbox"/>	joomla	joomla	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Super Users

Below the "joomla" user name, there is a "+ Add Note" button. To the right of the "Super Users" group, there is a "Permissions" button.

Ahora nos vamos al apartado de usuarios y ya podemos empezar con la creación de los 3 usuarios que nos pide la actividad.

Y terminamos con el usuario editor.

The screenshot shows the Joomla! Users management interface. At the top, there's a Joomla! logo and a 'Users' header. Below the header, there's a sidebar with navigation icons. The main content area has a '+ New' button and an 'Actions' dropdown. A search bar is located on the right. The table below lists four users: 'administrador', 'editor', 'joomla', and 'registrado1'. Each user row includes a checkbox, a link to the user's profile, a '+ Add Note' button, and columns for 'Username', 'Enabled', 'Activated', 'MFA', and 'User Groups'. The 'User Groups' column shows the group name and a 'Permissions' button.

<input type="checkbox"/>	Name ▲	Username ◆	Enabled ◆	Activated ◆	MFA	User Groups
